

Dorm Information

- All guests will be staying in Residence Hall North (RHN) on the UTD campus:
Residence Hall North, 2851 Rutherford Ave, Richardson, TX 75080
- **Check In** is at the front desk, beginning as early as Saturday morning. They will already know your room assignment. They will give you a key card and key card holder, linens, and toiletries.
- Someone should be at the front desk at all times, though staff is more limited late at night and the front door may be locked. If the door is locked and the person at the front desk has stepped away, there is a number on the door you can call (972-883-5241). **Do not** call this number unless you are locked out or there is some other emergency.
- Your arrival times and Indemnification and Medical forms were shared with the dorms. If you do not arrive at the time you listed, there is no need to contact us, we understand you may be delayed during travel.
- Alcohol is **prohibited** in the dorms.
- Laundry is free and on site, though detergent is not provided. We were asked that you give deference to those living there full time if things are busy.
- Details about food can be found on the conference practicalities page. In summary, many, but not all, meals are provided at the conference.
 - The Northside development just north of RHN has a 24-hour 7-11 and small restaurants.
 - The student dining hall is just to the west in RHW (summer hours are limited).
 - Food delivery services include Uber Eats, DoorDash, and Grubhub. If ordered to the dorm, you need to be downstairs when it arrives, as the front desk will not take it.
- Guests will stay on the 4th floor of RHN, separated from other groups. Thus if there is noise, it is likely coming from other CG Week participants, so please be respectful of your neighbors.
- **Check Out** by 4pm on Friday. You need to return your key card and card holder, clean and take your trash to the dumpster, and bring all your linens to the front desk. (i.e. you will leave the room how it was when you checked in). Failure to do these things will result in charges.
